DAY 02 - DAY 04: Enjoy Golfing at Windsor Golf Hotel & Country Club

For all golf enthusiasts, Windsor offers a challenging but pleasant 18-hole championship golf course.

Windsor Golf Hotel & Country Club was voted as the best golf course in Kenya and the best golf hotel in Africa in the first 2014 Golf Travel Awards held in Portugal. The resort also made news on CNN as being amongst the top 10 city golf clubs in the world.

The championship design and length (7,277 yards) of the course is the centre of attention and deservedly so. It threads its way through coffee farms and indigenous forests with high and low terrain, giving it character and design quality.

The Golf Course boasts lush, springy fairways, fast, true greens and a sprinkling of attractive water hazards with 73 well located sand bunkers and unforgiving roughs make this course a truly challenging experience. Situated at an altitude of more than a mile above sea level (6000ft), the ball will travel 10 yards further than at sea level. The course is a beautiful walking experience luxuriating in the wonders of nature with bird life, fish, flora and fauna in abundance.

Spend the afternoon at your own leisure. You can relax in your comfortable room.

Located high on the slopes of the Oloolaimutia Hills, Masai Mara Sopa Lodge was one of the first safari lodges to be built in the Maasai Mara Game Reserve, a reason why its gardens and trees are so lush and mature. All the buildings follow the design of traditional African round houses with conical roofs, and these stretch along the line of the hills with the impressively large public area buildings and the swimming pool at their centre.

1600hrs: Enjoy an evening game drive on private basis to the expansive Mara plains.

The Maasai Mara National Reserve is one of the most popular safari destinations in Africa. The Maasai Mara is regarded as the jewel of Kenya’s wildlife viewing areas. There have been some 95 species of mammals, amphibians and reptiles and over 450 birds species recorded on the reserve.

Nowhere in Africa is wildlife more abundant, and it is for this reason a visitor hardly misses to see the big five (**buffalo, elephant, leopard, lion, and rhino**). Other animals that can be spotted here include hippos, cheetahs, gazelles, antelopes, zebras, giraffes, dik-dik, and warthogs among others.

The annual wildebeest's migration alone involves over 1.5 million wildebeests, zebras, gazelles and other animals that cross over from the Serengeti to the Maasai Mara in search of pasture and water. They cross the Mara River in July and make the return journey in late October/November. The migration, especially the Mara River crossing has been dubbed one of the 8th wonders of the modern world.
